INTRODUCTION

This resource directory has been prepared to assist educators, the media, government officials, students and the general public in locating accurate and up-to-date information about Asian Pacific Americans (APAs) in the state of Washington. It was also prepared to help APAs find the services that are available to them throughout the state.

We have not included every organization but have attempted to provide a number of contacts dealing with different issues throughout the state.

If you have any additions, corrections or deletions, we would like to hear from you. Please write or call any of the following locations:
